FROM: Dave Rupp, DWQ

DATE: June 3, 1998

Subject: Nephi Sandstone Corp.
Cedar Springs Project, S/023/059

We have reviewed a copy of the NOI from Nephi Sandstone Corp. regarding a GYPSUM mine in Juab County. Diversion of storm water flows around waste rock and ore should be done. It does not appear that the operation, if the above is included, will have any water quality impacts. It appears the operation will not have any process water.
